⁽¹⁾ Tangible book value per share (a non-GAAP financial measure) is equal to total shareholders' equity less goodwill, preferred stock and core deposit intangibles, divided by the number of outstanding shares of our common stock at the end of the relevant period. Please refer to the table below for a reconciliation of this non-GAAP financial measure.

(2) Fully taxable equivalent basis.

USE OF NON-GAAP FINANCIAL MEASURES

Tangible book value per share is a non-GAAP financial measure generally used by financial analysts, investment bankers, and other investors to evaluate financial institutions. For tangible book value per share, the most directly comparable financial measure calculated in accordance with GAAP is the Company's book value per common share. A reconciliation of tangible book value per share to book value per share is included below. The Company believes that this measure is important to many investors in the marketplace who are interested in changes from period to period in book value per common share exclusive of changes in intangible assets. Goodwill and other intangible assets have the effect of increasing total book value while not increasing the Company's tangible book value.

Any non-GAAP financial measures presented in this Report should not be considered in isolation or as a substitute for the most directly comparable or other financial measures calculated in accordance with GAAP. Moreover, the manner in which the Company calculates a non-GAAP financial measure may differ from that of other companies reporting measures with similar names. You should understand how such other banking organizations calculate their financial measures similar or with names similar to the non-GAAP financial measures that the Company has discussed or disclosed in this Report when comparing such non-GAAP financial measures.

⁽¹⁾ Excludes the dilutive effect of common stock issuable upon exercise of outstanding stock options. The number of exercisable options outstanding was 121,660 as of December 31, 2019; 113,013 as of December 31, 2018; 63,927 as of December 31, 2017; 44,406 as of December 31, 2016 and 65,011 as of December 31, 2015.

⁽³⁾ Efficiency ratio is calculated as non-interest expenses divided by the sum of net interest income and non-interest income.

⁽⁴⁾ Nonperforming loans consist of non-accrual loans and restructured loans.

⁽⁵⁾ Allowance for loan losses to period-end loans ratio excludes loans held for sale.

⁽²⁾ We calculate book value per common share as shareholders' equity less preferred stock at the end of the relevant period divided by the outstanding number of shares of our common stock at the end of the relevant period.

⁽³⁾ We calculate tangible book value per common share as total shareholders' equity less goodwill, preferred stock and core deposit intangibles, divided by the number of outstanding shares of our common stock at the end of the relevant period.

Letter to Shareholders

To Our Shareholders, Customers, Communities and Friends,

In my letter to shareholders each year, we would normally address our accomplishments of the preceding year, which were many in 2019. I will address those at the end of this letter. As of the writing of this letter to shareholders, we are faced with the many challenges that the coronavirus disease (COVID-19) has placed upon our customers, employees, shareholders and communities. The "theme" of this report is "people and community," honoring those who help us be the company we are each day and reflecting our commitment to working together to address the needs of the areas we serve. While we show people congregating in this document to symbolically support that theme, both in illustration and in person, we are very aware of the challenges faced with just that in our country and world right now. We will get through this troublesome time together.

In the coming weeks and months, challenges will undoubtedly increase and will be immense. In the fall of 2018, our company, Select Bancorp, Inc., raised over \$60 million in capital. Unfortunately, immediately following the capital raise, the economy slowed, making it extremely difficult to deploy that capital in a significant way. Today, Select Bank & Trust is fortunate to have that excess capital, which will help us weather this difficult time. We have been prudent stewards of our capital, and this should prove beneficial to us as we navigate the next few weeks and months. We are committed to ensuring that our customers, employees and communities fare well during this crisis. Select Bank & Trust has, and will, take steps to assist its customers, employees and communities to meet the challenges that lie ahead.

In an effort to limit or prevent the spread of COVID-19 at Select Bank & Trust, we have closed our branches to lobby traffic (as of writing this letter) and are operating day-to-day using our drive-thru lanes. We are asking our employees to practice social distancing with each other and our customers, in line with CDC guidelines, and we have many employees working remotely from home. Internal bank meetings as well as Board of Director meetings are conducted by teleconference. We have asked employees who are not feeling well to stay home. We are asking our customers who have not yet signed on to our Online or Mobile banking to do so and to utilize these services. Our customers can always call their local branch or visit www.selectbank.com for further assistance.

Finally, if our customers need assistance, we will make every effort to grant that relief so as to ease the burden on them and their businesses. After all, they are the reason Select Bank & Trust has been successful, and they are the reason we are celebrating our 20th year in business in 2020.

Following through on our accomplishments in 2019, here are a few of the highlights. We opened a new branch in Holly Springs, NC, (Raleigh, NC area), acquired a branch in Virginia Beach, VA, and opened loan production offices in Winston-Salem, NC, and Durham, NC. We sold our branch in Six Mile, SC, to another financial institution in the area to ensure those great folks in Six Mile had a banking option, as our branch was the only one in town. We closed our branch in Washington, NC, and moved those accounts to our nearby Greenville, NC, branch. In December of 2019, we announced the planned acquisition of three branches located in Sylva, Franklin and Highlands, NC, from another financial institution. We believe these three new branches will be a great cultural fit, as the existing branch team members share the same community-bank philosophy as that of Select Bank & Trust. We believe that the preceding initiatives will enhance our growth and provide efficiencies to our operations.

Other initiatives we embarked on in 2019 included ramping up our mortgage and SBA operations, and both areas proved profitable in 2019; given the lower interest rates at the present time, we expect our mortgage area to continue to grow. Also, we do believe the SBA area will prove beneficial to our customers and prospective customers during this period of uncertainty. We also enhanced our digital banking experience and statement rendering experience, which has been met with positive reviews.

While the future is uncertain for the economy, we believe Select Bank & Trust is poised to have a positive impact upon our shareholders, customers, employees and communities as we move forward. Obviously, we, and other companies, are not immune from the effects of COVID-19 but, rest assured, we will work diligently and bring all resources to bear in our efforts to navigate the social and economic challenges that lie ahead. We thank you for your investment and confidence in Select Bank & Trust. Our prayers and thoughts go out to you, your families, your friends and all others. Please be safe.

Our annual meeting of shareholders will be held on May 19, 2020, at 10 a.m. at Select Bank & Trust, second-floor board room, 700 West Cumberland Street, Dunn, NC 28334.

In Memory of Oscar Harris

Director of Select Bank & Trust

Select Bank & Trust was deeply saddened by the passing of Director Oscar N. Harris, who also served for the past 13 years as Chairman of the Audit and Risk Committee and had formerly served as Vice Chair of the Board of Directors for eight years. Oscar was instrumental in the establishment of our predecessor, New Century Bank, in Dunn, North Carolina. He was very proud to have a bank headquartered there where he also served five terms as Mayor of City of Dunn.

Oscar was a tireless advocate for the bank, and he always had the best interest of shareholders, customers, employees and the community on his mind. His oversight, guidance and counsel have been invaluable to the success of Select Bank & Trust and will be greatly missed as we move the bank forward, but even more, we will miss him as a friend.
